## **An Ounce of Prevention is Worth a Pound of Cure!**

One of the most prominent 3-Day Internet training sessions ever presented devoted the entire half of the first day to the topic of Internet Security.

In other words, the group broke for lunch before anyone said a word about selling real estate on the Internet.

Why do you suppose so much time was allocated to the unexpected topic of Internet Security? It's because cyber crime is now bigger than the drug trade.

### **FREE** Internet Security Resources:

#### **SpyBot Search & Destroy**

Has your web browser's home page ever changed to a different website all by itself like it had a mind of its own?

#### **FREE Disk Defragmentation**

If your computer runs slower than it did when you first bought it, don't just chalk it up to being “old” -- especially if its only a year old. If your computer freezes or crashes unexpectedly, then it may be time to defragment your hard drive.
